PRODUCT CATALOG

MUKASA-HYOUGUTEN

Mukasa Hyouguten

Traditional Japanese Mounting & Framing

A traditional atelier specializing in Hyogu, the art of mounting and restoring Japanese artworks.

With over 120 years of craftsmanship, we create refined works that bring harmony to both traditional and contemporary interiors.

Urawa, Saitama, Japan

Customization

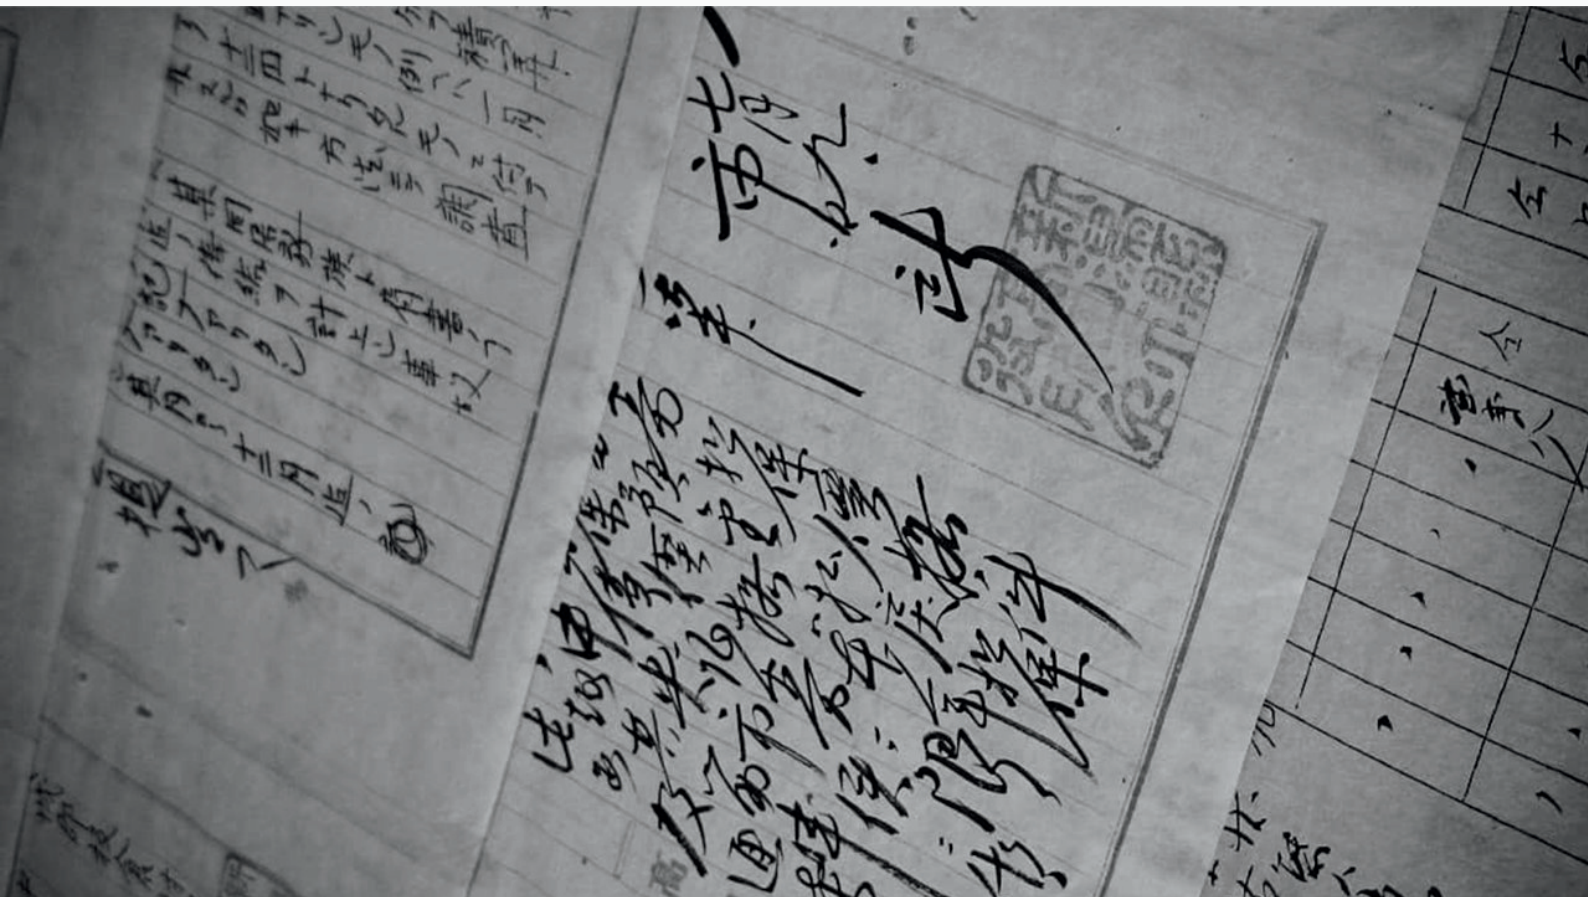

With a few exceptions, the products featured in this catalog are made-to-order.

Design, materials, and sizes are all customizable.

The final product will not be identical to the photos in the catalog. Please use the photos for reference only.

Shipping

We offer shipping both domestically and internationally; however, shipping costs are not included in the listed prices.
